

PREMIUM LARGE VEHICLE DIESEL FUEL CONDITIONER – SUMMER

Premium Large Vehicle Diesel Fuel Conditioner - Summer is a complete, premium quality diesel fuel system cleaner that cleans dirty injectors, and keeps the entire fuel system and injectors clean with regular use. Cleaner injectors improves fuel economy, reduces emissions as well as lowers maintenance costs. Premium Large Vehicle Diesel Fuel Conditioner - Summer also modifies combustion to get a more complete burn and reduces combustion chamber deposits. In addition, Premium Large Vehicle Diesel Fuel Conditioner - Summer is an excellent lubricant for injectors, providing ample compensation for the reduction in diesel fuel Sulphur content. Premium Large Vehicle Diesel Fuel Conditioner - Summer is optimized for vehicles having larger capacity fuel tanks, with one – 12 ounce bottle treating 50 gallons of diesel fuel. It provides stabilization to diesel fuel in storage and protects from the effects of minor amounts of water. It reduces corrosion and helps keep fuel tanks and fuel lines clean. For added performance, Premium Large Vehicle Diesel Fuel Conditioner - Summer also contains a Cetane Improver, which reduces ignition delay, reduces knock intensity, and generally makes diesel engines run more smoothly.

APPLICATION:

- Recommended for use in all diesel fuel systems
- Recommended for Tier 4 Diesel Engines

FEATURES & BENEFITS:

- Cleans injectors
- Cleans tank and fuel system
- Boosts cetane
- Increases fuel economy
- Reduces emissions
- Lubricates fuel injectors
- Treats 50 gallons of diesel fuel
- No environmentally harmful dyes

DIRECTIONS:

Pour entire contents of this bottle into fuel tank. One bottle treats up to 50 gallons (189.27 Liters) of diesel fuel.

HEALTH & SAFETY, ENVIRONMENT:

Prolonged and repeated contact with oil may cause skin disorders. Avoid contact. Wash immediately with soap and water. Do not discharge used oil in to drains or the environment. Dispose to an authorized used oil collection point. For further information on Safety Guidelines please refer to MSDS available on our website www.lubrex.net

HEALTH & SAFETY:

This product is not likely to present any significant health or safety hazards when properly used in the recommended application and good standards of personal hygiene are maintained. Reference is made to the Safety Data Sheet (SDS) which is available on request via your local sales office or via the internet www.lubrex.net

PROTECT THE ENVIRONMENT:

Take used oil to an authorized collection point. Comply with local regulation. Do not discharge into drains, soil or water.

STORAGE:

We recommend to store all packages under cover. In case outside storage is unavoidable, drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should never be stored above 60°C, exposed to hot sun or freezing conditions.
