

## FRICTO LITHIUM GREASE EP

### PRODUCT DESCRIPTION:

Fricto Lithium EP is a Lithium thickened lubricating grease formulated with mineral base oil and improved with extreme pressure (EP) additives to lubricate and protect even in heavy loaded circumstances. It is mechanically very stable and easily pumpable due to its smooth consistency.

### APPLICATION:

- Fricto Lithium EP-000 and EP-00 are particularly suitable for the lubrication of enclosed gears and bearings in poorly sealed gear cases on most underground mining machinery with the exception of electric motor gearings
- Fricto Lithium EP-0 and EP-1 provide good low-temperature pumpability and are suitable for centralised lubrication systems and other applications where low-temperature performance is required
- Fricto Lithium EP-2 is recommended for multi-purpose applications in anti-friction and plain bearings, bushings and pins under normal operating conditions
- Fricto Lithium EP-3 is a stiffer NLGI grade 3 grease recommended for applications where maximum protection against penetration of water or solid contaminants is required

### FEATURES & BENEFITS:

- Reduced wear under heavy or shock loading
- Protection against rust and corrosion
- Resistance to water washout
- Extended bearing life potential
- Good pumpability in centralised systems
- Effective leakage control

MEETS OR EXCEEDS THE REQUIREMENTS OF:	NLGI 000	NLGI 00	NLGI 0	NLGI 1	NLGI 2	NLGI 3

4-Ball Weld Load, Kg	D-2596	250	250	250	250	250	250
Base Oil Viscosity @ 40°C, cSt	D-445	320	160	160	160	160	160
Operating Temperature Range, °C		-30 to 110	-30 to 130	-30 to 130	-30 to 130	-30 to 130	-30 to 130

**HEALTH & SAFETY, ENVIRONMENT:**

Prolonged and repeated contact with oil may cause skin disorders. Avoid contact. Wash immediately with soap and water. Do not discharge used oil in to drains or the environment. Dispose to an authorized used oil collection point. For further Information on Safety Guidelines please refer to MSDS available on our website [www.lubrex.net](http://www.lubrex.net)

**HEALTH & SAFETY:**

This product is not likely to present any significant health or safety hazards when properly used in the recommended application and good standards of personal hygiene are maintained. Reference is made to the Safety Data Sheet (SDS) which is available on request via your local sales office or via the internet [www.lubrex.net](http://www.lubrex.net)

**PROTECT THE ENVIRONMENT:**

Take used oil to an authorized collection point. Comply with local regulation. Do not discharge into drains, soil or water.

**STORAGE:**

We recommend to store all packages under cover. In case outside storage is unavoidable, drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should never be stored above 60°C, exposed to hot sun or freezing conditions.
